PowerSchool is the official grading and attendance system used in Goshen County School District. The PowerSchool app is a way for students and parents to have information about grades and attendance. Below is a brief overview of some of the features of the PowerSchool app.

PowerSchool App for Parents

Go to https://goshen1.powerschool.com, sign in with your parent access account, then click App Store button (for iOS devices) or Google play button (for Android devices) to get the app. You can also download the app by scanning one of the QR codes.
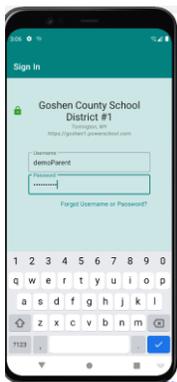

Signing In

iOS (iPhone, Apple Device)

The district code for Goshen County School District 1 is
CMQK

Android Device

App prompts if student or parent. Parent taps "I'M A PARENT"

GET IT ON
Google play

Parent signs in with Username and Password for parent access account. Contact your student's school if you are having trouble with your access account.

Viewing Grades and Attendance

Class Tile - Detail View

Close to return to Dashboard

Overall letter grade and %

Assignment category and name. Categories are Common Assessment (60% of overall grade) and Teacher Assessment (40% of overall grade)

Assignment letter grade and points out of points possible/% score

Overall % from weighted average of Common Assessments (60% of overall %) and Teacher Assessments (40% of overall %) determine letter grade as follows:
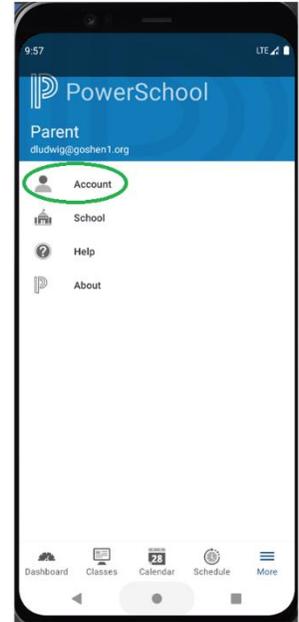

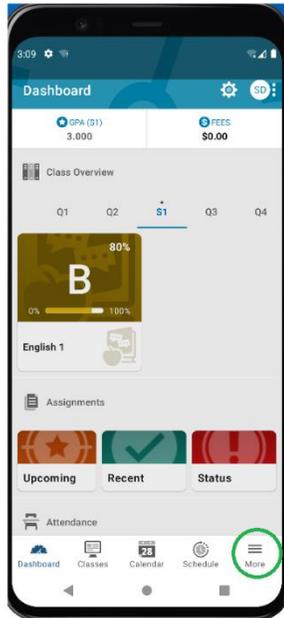

GPA	Letter	Percentage
4.0	A	90-100%
3.0	B	80-89%
2.0	C	70-79%
1.0	D	60-69%
0	F	0-59%

Push Notifications

PowerSchool app can generate push notification if a letter grade in a class changes

Turn Push Notifications On/Off

or if an attendance mark is entered for a class.

1. Tap More in lower-right
2. Tap Account
3. Use Push Notifications sliders to turn On/Off
